Jerusalem Art: Transcending Cultures and Continents

It's a conversation between our Fellow from Mexico, choreographer Claudia Lavista, and Choreographer and artistic director of c.a.t.a.m.o.n. Dance Group (her Host organization in Jerusalem,) Elad Schechter. Join us to learn about

- The inspiration and impact of the artist residency program creating a doppler effect of creativity throughout the city; and
- Claudia's travels across the globe to work with the c.a.t.a.m.o.n. Dance Group and the lasting impact of her collaboration.

I'll be there to provide an overview of the program. My dear colleague Wayne Firestone is the moderator.

You can register for the webinar [here](#).

We look forward to seeing you soon!

- Elise

ps - if you aren't able to join today, the webinar will be posted on AIFL's Youtube channel [here](#).
