Please support the Jerusalem International Fellows as we embark on the NEXT residency. We pray for the end of the war between Israel and Hamas and plan to resume the program as soon as possible.

With your contributions, Fellows, Hosts and Audiences will have time to talk together, eat together, disagree and explore together, forge lifelong friendships and pursue common dreams.

Join our family and be a part of their creative process. Help us to connect Jerusalem's vital cultural ecosystem with a global creative network.
